

Lead Awareness: Keeping our Children Healthy!

PRESENTED BY: CHILDCARE HEALTH CONSULTANTS

Jennifer Sical BSN RN (Spanish, Family Homes)

Donnalee Segal MSN BA RN (Daycare Centers)

Module 1: October 4, 2023

6:00pm – 7:00pm

This Curriculum was developed to:

- Raise awareness about childhood lead exposure.
- Expand understanding of lead's potential impacts on children's health and cultural practices
- Encourage actions that can be taken to reduce and/or prevent childhood lead exposure.

Module 1: Understanding Lead - provides an overview of lead, its impacts and actions that can be taken to reduce potential lead exposures and lead poisoning.

1 PD hour
